

berry's are on the move

Location : 141 Lichfield Road – Birmingham B6 5SP

After more than 40 years based at Middlemore Business Park Berry's (now known as Berry's Technologies Limited), are moving premises.

Our new modern 20,000 sq ft unit is situated in Lichfield Road, Aston, Birmingham, so not far away from our roots, allowing us to continue to offer a UK wide service on which we have built our considerable reputation.

The new location, situated just off junction 6 of the M6, will go live at **8am on Monday 2nd July 2012** complete with usual telephone and fax numbers and email addresses.

Berry's Technologies Limited will continue to offer innovative products to the Petroleum Industry from its new base, and take this opportunity to thank you for your assistance in the past and in the future.
